

DAMILANO
BAROLO

BRUT METODO CLASSICO

Grape Varietals: Pinot noir and Chardonnay

Alcohol content: 12,5% by volume

Colour: straw yellow

Bouquet : intense with vanilla notes

Taste: lively, balanced, extraordinarily intense

Vinification: the two grape varieties are pressed and vinified separately. After a soft pressing, only the must (called «mosto fiore») is used : one part is fermented in second used woods and the other part in stainless steel tanks . The second fermentation takes place in bottle where the wine rests until spring of the following year. It is finally time for the «batonnage» which is practiced before «tirage». Our metodo classico is not clarified or filtered.

Suggested serving temperature: 7°/9°C
